

DR. PARKER RETURNS

The Evangelical Lutheran Church in British Guiana is happy to welcome Dr. Parker back into the colony. Dr. Parker arrived by Pan-American flight on May 30. He was warmly greeted by officials of the church. In spite of a bad cold developed by the many changes in temperature on the trip, Dr. Parker expressed his happiness in returning to British Guiana.

Dr. Parker completed his year's furlough last November, and for the past six months has been serving the Board in New York in a special advisory capacity. Dr. Parker has a tremendous wealth of valuable mission experience. He has served pastorates in the Virgin Islands and Liberia as well as British Guiana.

Dr. Parker will serve the church in British Guiana as Treasurer. He has been assigned as pastor of the Canje and Lower Berbice Parish. Mrs. Parker and Winston will arrive in late September. The Lutheran Church in British Guiana rejoices in the Parkers return. Welcome back!

LUTHERAN YOUTH LEADERS

The Synodical Luther League of British Guiana has just concluded a very eventful convention in Buxton. For the first time in the history of the Synodical League, the membership passed the 1,000 mark. The Luther League Objective offerings totaled over \$1,100, the highest ever recorded. Those chosen to guide the destiny of the Luther League during the coming year are, Stephen Muttoo, President; Victor Munro Vice-President; Eva Munro, Secretary-Treasurer; Desmond Hamlet and Winston Bone, members of the executive.

"So Let Us Run", the theme of the Eleventh Annual Luther League Convention held at Buxton, East Coast Demerara, was the subject of the last message to leaguers. Rev. A. R. Bowen, President of the church, delivered this message to approximately 150 eager hearts, visibly moved and inspired by God's Holy Word as expounded by the preacher.

Pastor Bowen's message was just the climax to a series of wonderful sermons heard throughout convention. Rev. Hector C. Magalee, advisor, vividly roused all delegates to "Strive For The Prize." Caution came from the president, Mr. Stephen A. Muttou, as he told of "Hindrances To The Runner." Mr. Winslow Zephyr, a member of the Executive Committee strongly persuaded convention to "Press Toward The Goal," then "Stripping For The Contest" was picturesquely portrayed by Mr. Junior Ramsammy of Epiphany Luther League. Mr. Victor R. Munro, Vice-President, completed "The Home Stretch" in fine style and Rev. W. A. Osborne attractively described "The Prize Won."

Such was the tone of convention: athletic in capability as well as in accomplishment and as evidence these contributions of each league towards the "Sandhill" objective could safely be cited:

In keeping with the theme, "So Let Us Run", Pastor W. J. Wolff in his usual masterly way, outlined the life of St. Paul, the greatest of all Christian athletes. Rev. C. W. Leavitt, interdenominational Pastor, took up from here and brought before the very eyes of all, his adventures and experiences in evangelising the uncivilised Shedeus Indians south of British Guiana.

Rev. E. G. Vosseler forcefully convicted Leaguers of their obligation to evangelise and so build the Kingdom of our dear Lord on this earth. Mr Robert Beharry of Skeldon Lutheran High School was no less excellent as he clearly described the complicated United Nation Organization. Miss Elaine Wagner begged for faith in Jesus and perseverance with His help.

Eating Prowess. However, it was really during the meals that the true athletic possibilities of the leaguers were manifested. Pastor and Mrs. Bowen, Holy Trinity's Congregation and Luther League, Catechist J. R. Singh and Parish Workers Ruth Yisu Das and Maude Butisingh are to be highly praised for their dexterity in refilling those helpless plates placed at the mercy of such gargantuan appetites. Volleyball was played in the afternoons with Mr. V. R. Munro leading, while on Friday evening reports were read. Saturday evening was the annual banquet and Mr. A. J. Seymour, Public Information Officer, was guest speaker. Miss Jean Williams of Ebenezer was then selected "Miss Luther League of 1954."

Serious Work. The business sessions were welcome in the same zest as the others. Leaguers prayerfully discussed their business and it is remarkable to note that the number of official delegates was the biggest ever. President Muttou, in his report, gave thanks to Jesus for the increase in enrollment to more than one thousand strong. His recommendations for inter-league volleyball and essay competitions were accepted. At this time too, it was agreed to request that two pages of the "Southern Cross" should be devoted to Luther League news; also the special Finance Committee's recommendation for the adoption of the apportionment system was whole-heartedly carried. Pastor Vosseler was chairman of this committee.

Miss Eva D. Munro was complimented for her proficiency as Secretary-Treasurer and Rev. Hector C. Magalee advisor was re-elected to the post he so ably occupied last year. Two new members were elected to the Executive Committee: Messrs. Desmond Hamlet and Winston Bone (re-elected), both of Ebenezer.

Call To Action. All in all, the convention was a blessing and inspiration to all present. Rapt attention and complete concentration were characteristic of every session, but only time will disclose the real results of convention. Every Luther Leaguer, however, is called upon to run the race that is set before him, to press toward the goal, through evangelism, stewardship, and prayerful life, and real devotion to his congregational league. The Synodical Luther League in British Guiana, depends on the individual leaguer, so Luther leaguer, awake! stretch every nerve, and press on with vigor! finally, thanks must be given to Almighty God, without whose help and guidance, the eleventh annual convention could never have been the success it was. His guiding hand and presence was felt by all. Praise be to him and His son, Jesus our Lord.

TEN LITTLE CHRISTIANS

Ten little Christians standing in a line,
One disliked the preacher; and then there were nine.

Nine little Christians stayed up very late;
One slept on Sunday morning; then there were eight.

Eight little Christians on the road to heaven,
One took the lower road; then there were seven.

Seven little Christians got into a fix,
One disliked music, then there were six.

Six little Christians very much alive,
But one lost her interest; then there were five.
Five little Christians, wishing there were more,
But they quarreled; then there were four.

Four little Christians, cheerful as could be,
But one lost his temper; and then there were three.

Three little Christians knew not what to do,
One joined a sporty crowd; then there were two.
Two little Christians - our rhyme is nearly done—
Differed with each other; then there was one.
One lone Christian won his neighbor true,
Brought him with him to church; then there were two.

Two earnest Christians, each won one more,
That doubled their number; then there were four.

Four sincere Christians worked very late,
But each won another; then there were eight.

Eight splendid Christians, but nothing rhymes
with sixteen, so we

Simply must note that in four more rhymes
there would be 1,042 which
would be quite a church-full.

JESUS, THOU THE OUTCAST'S FRIEND

Jesus, Thou the outcasts friend,
Hear the prayer of those in tears;
We who cry from Earth's far end
Seek Thee while the "Comrade jeers."
Thou hast known this bitter cup,
Faced all dark and midnight hours;
Thou for all art lifted up
By those same relentless powers.
Lifted up! Lord, from the cross
Teach us thy forgiveness still;
Cleanse us from all veneful dross
That denies our father's will.
Thou and he are wholly one;
We would be made one with you,
Warm and radiant as the sun,
Living flames since born anew.
So from tears we call to thee,
Sorely pressed, yet confident
That thou wilt not let us be
Less like thee than thou hast meant. Amen.

CHRISTIAN STEWARDSHIP IT IS CHRIST THAT MATTERS IN STEWARDSHIP

The only stewardship that is worthy of the serious attention of the church is Christian stewardship. Its heart is Jesus Christ. It is believing in Him, obeying Him, it is surrendering my life to Him, because I know Him and trust Him and am everlastingly thankful to Him. It is living my faith in everything I do. It's serving Him with my whole life.

Such giving of myself,—including my time, my talents, my prayers, my money, -- will be as natural as the shining of the sun or the fruiting of a good tree. No one need compel it. Because I know that He is my Lord, who redeemed me with His death on the cross, I cannot help but be His, live under him in His kingdom, and serve him in everlasting righteousness and blessedness. No compulsion, other than my gratitude. I stand before him. His eyes search me out. Finally my very soul must cry out, "My Lord and my God." Then Come His answer in words:

"I Am the vine. Ye are the branches. Herein is my Father glorified, that you bear much fruit. So shall you be my disciples."

It is Christ that matters in stewardship.

Dr. Clarence Stoughton.

GEORGETOWN PARISH

Pastor P. G. Hansen

LACYTOWN. The congregation is stressing Evangelism and Stewardship in 1954. There has been a marked increase in church attendance. Up to this printing 21 new members have been added to the membership roll this year. Another class will be ready for reception this fall. The Stewardship and Evangelism Committee is making final plans for a house to house survey of the immediate area of Calvary. Up to the end of May, Calvary's Offerings have amounted to \$520. The organ fund stands at \$1900.

Sunday School enrollment has passed the 100 mark for the first time in the history of Calvary.

Luther League was thrilled to learn that Calvary brought first place in total objective at the Buxton Convention. Leaguers say that now they've reached the top they'll stay there.

ALBOUYSTOWN. 17 new members have been added to the congregation since the beginning of the year. Congregational receipts from the beginning of the year have averaged \$67 per month.

Women's League anniversary was held on June the 13th. The Church was filled to capacity as Miss Elaine Wagner, lady missionary, delivered a stirring message.

Luther League again reached their objective.

Sandhills. Day School attendance has maintained a high average since the beginning of the year. The school broadcast has found good reception among the pupils.

CANJE AND LOWER BERBICE

Pastor W. J. E. Scott

Sisters Sunday School, under the leadership of acting lay reader, Nathaniel David, is a young but vigorous group. Ten children recently were received into God's fellowship by Holy Baptism. As one parent told the lay reader, "Bas me wan me picnee tun christian. Me na know fee read but me picnee mus know Gqd."

In order for Mr. David to reach Sisters from Fearn, he must walk six miles and then row across the Berbice river. Many times he returns home over the same distance at night. This volunteer worker of the church is deserving of praise for his loyal service to the Lutheran Church.

NEW ARMTSDAM PARISH

Pastor Wallace Wolff

EBENEZER. During Lent, special emphasis was placed on church attendance. The results were encouraging, however, there is still much room for improvement. The offering for Easter was \$208.00, slightly lower than last year. The vestry and congregation have accepted the apportionment goal for self-support set by Convention and are paying the amount each month. Every indication now is that the amount will be paid 100 per cent.

Mr. Arnold Persram, a member of Ebenezer, left the colony in May to matriculate in Macalaster College, St. Paul, Minn. He will study geology, and hopes to return, to offer his services in the development and improvement of B.G.

Organizations of Ebenezer are showing growth in members.

The Sunday Schools have maintained its enrollment of over 200 with an average attendance of 180. Mr. Stanley Alonzo is Superintendent.

The Talitha Cumi (Girls Organization) has an attendance of over fifty girls.

The Children of the Church meets every Saturday under Miss O. Steaman's direction.

The Luther League, under the capable leadership of Mr. Winston Bone, last year showed advancement and growth in every activity. An excellent report of the Eleventh Synodical Convention was presented by the delegates. This report will be discussed at the next business meeting. The theme of the first devotional meeting of the term was, "So let Us Run." The topic challenged the leaguers to the task of the new year members of Ebenezer Luther League supported the plan of apportionate giving. They believe this is a step forward in helping develop the stewardship responsibilities of each young christian.

The league is awaiting the apportionment based upon the budget of convention. Even though it may mean that their "fair share" is larger than past years, each leaguer is determined and confident that it will be met. To have a part in providing a school and hostel at Sandhills, Demerara, is a privilege that inspires and demands full allegiance and loyalty of every leaguer.

Athletics. The Boys and Girl's Athletic Clubs are now fully reorganised. The boys play cricket, table tennis, volley ball and net ball, while the girls play all the games except cricket. The girls have adopted the wearing of gym suits with appropriate house colours. Recently they defeated the old students in volley ball.

Fiedler Oratorical Contest was held on April 9, in the presence of a large gathering. The subject, "What Factors are Necessary For World Peace," proved very interesting both to guest judges and the visitors. Miss S. Sookram won the first prize, with Haman Yassin second and Miss K. Barran third. The other three contestants Peter Palackdharry, Lackram Sarju and Miss M. Shaffeeullah secured book prizes. Refreshments rounded off a very interesting and an educational program.

Alumni Association has been revived with Mr. R. Raman as President. Meetings every Wednesday afternoon are proving very interesting to the 40 members who are determined to make the association serve a useful purpose. We are grateful to Rev. J. Muchan for coming to speak at our special convocation on April 2. He spoke on the "Trinity." The principal gave a special devotional talk on the sacred books of some different religions to serve for the purpose of comparison. These talks were concluded with a special lecture on our Bible.

HONOURS TO TEACHERS

Congratulations to Mr. Cecil Persaud and Miss Mavis Henry, teachers at St. Mary's Lutheran School, Belair. They have been selected to undergo a special two year course at the Government Training College. Competing in examinations with teachers from all over the colony, Mavis and Cecil were among the thirty applicants selected. Mr. Louis Bone, head-teacher of the school, served as their tutor, and is to be commended for an excellent job of instruction.

Mr. J. A. Sukhu, headteacher at Transfiguration, Betsy Ground, recently received a high honour. He was elected second Vice-President of the British Guiana teachers association. The association represents 600 teachers in British Guiana. Congratulations!

CRABWOOD CREEK. On Monday, February 22, Nativty Lutheran Kindergarten School was formally opened. It marks the beginning of a number of such proposed schools which have long been planned and hoped for. The youngest member of the new school presented flowered leis to the Rev. and Mrs. W. J. Scott, after which Pastor P. A. Magalee introduced the Program Chairman Mr. R. S. Beharry, Principal of Skeldon High School. Everyone participated in the singing of the hymn "Beautiful Saviour," after which Catechist J. Ramlochan read a scripture passage and offered prayer. Miss B. Sookram, teacher in charge of the school, presented a report of the school's beginning and progress prior to the formal opening ceremony. Her report told of the eager acceptance by parents of this new project for their children, stating that instead of an expected enrollment of about 30, there is now a student body of 50 children between the ages of 4 to 8. Greetings were brought by members of the Crabwood Creek Local Authority. Miss I. Shah, in her remarks, spoke of the ideals of which the school hoped to fulfill, and of the need of cooperation between parents and faculty. Mr. G. Ramkarran, Chairman of the Board, spoke feelingly of the work and hopes of everyone concerned in the establishing of this necessary school. He expressed the hope that eventually there would be a complete teaching establishment for children from 4 to 14 and beyond. The Rev. W. J. Scott gave the main address of the afternoon. A girl's quartet from the high school sang a medley, led by Miss Shah who later told a story and sang a song particularly for the little ones of the infant school. Mrs. W. J. Scott played two accordion selections during the program, and played several more numbers while refreshments were being enjoyed. After the program had been concluded, Pastor Scott showed copies of the new textbooks, and other materials to be used in the school and invited the parents to examine them and ask any questions they might have. Pastor Magalee introduced the Board of Stewards for the school. The members are Pastor P. A. Magalee, Mr. G. Ramkarran, Mrs. M. Sewdass, Mrs. F. Henry, Mrs. F. Jahaurali. Pupils in the school will purchase their own textbooks and workbooks and will pay a fee of one shilling a week which will pay for the salaries of the teachers and the running expenses of the school.

BEL AIR PARISH

Pastor E. Gene Vosseler

BELAIR. The pastor, assisted by Roland Munro and C. Persaud, canvassed the area of Belair and Sapphire. Every family was given a written invitation to church and the adult class; also a gospel was placed in each home. As a partial result of the visitation, 25 adults are taking christian instruction. The pastor is also instructing a junior confirmation class of 13 children. Attendance has greatly increased.

Luther League presented a play entitled "The Light From Beyond." Written and produced by Mr. Louis Bone, Headteacher, it drew a standing room only audience. The League is sorry to lose its President, Mr. Maywah Persaud, who has been honoured with selection to the Government Training College.

St. Mary's School held Matins Service every Wednesday during Lent. The pastor preached the Lenten messages, while Mr. Bone conducted the liturgy. The students of the school raised \$150 for a phonograph, microphone, speakers and records. The pupils are anxiously awaiting the extension of their playground, which will be accomplished by filling in some low land in the compound.

LE RESSOUVENIR. There have been seventeen baptisms since the beginning of the year. Nine children repeated their confirmation vows on Holy Pentecost. The members are subscribing to a \$150 paint fund. Plans are being made for a preaching mission and evangelism program to be conducted in September. Several cottage meetings have been held lately with a good attendance of non-christians.

Junior Luther League of 35 members are engaged in a house competition. The competition is a car race from Souvenir to Berbice entitled "Rosignol or Bust."

Senior Luther League reached their objective. Since the estate has stopped grinding, the boys are resuming their volleyball activities.

CAMPBELLVILLE. The congregation has welcomed 14 new members since the first of the year. The congregation is much happier in their new temporary worship quarters. Members subscribed to a paint fund and did the labor themselves. A Leadership Training Class meets every week. Members are anxiously awaiting word concerning the new church.

Luther League under the direction of C. R. Persaud, produced a Lenten pageant to a packed house. Objective was paid in full for 1953. A Luther League project is to place a gospel in every home in Campbellville with an invitation to church.

UNITE ALL NATIONS

O Master, who has walked life's way
among the sons of men,
Who bids us go to all the world to make
life whole again;
To cheer the fallen, heal the sick, and
set the bonded free,
Help us who pray to thee today thy
sovereign will to see.

We pledge thee Lord thy will to do.
Give strength that will to bear,
We would go out to ev'ry clime thy
truth with men to share;
Give us again that daring heart of
Prophets staunch and true,
O send us out thy servants brave thy
world-wide work to do.

Unite all nations under Christ, north,
south, the east and west,
Until in Him, as one shall stand, the
greatest and "these least;"
To ploughshares men will beat their
swords, to pruning hooks their spears,
Until redeemed in Christ they rise,
triumphant o'er their fears.

Arise, O soldiers of our God, hold
cross and banner high,
His word to ev'ry Nation tell, on wings
of morning fly;
Until all distant nations bow and walk
where Jesus trod,
When Christ the Prince of Peace shall
reign and all men serve cur God. Amen.

William S. Meyer.

A BIT OF THIS 'N THAT

★ Tune into the Lutheran hour every Monday night at 9:30 p.m. over radio Demerara.

★ Did you know that there are 70,000,000 Lutherans, and that they constitute almost half of the world's protestant population?

The Evangelical Lutheran Church in British Guiana has recently received from the Board a new 16 mm. sound projector and thirteen sound movies on the life of Christ. This should be a real boon to our open-air evangelism work.

The index of workers in the Church will appear twice a year in the Southern Cross.

RAJAHMUNDRY, INDIA

Gandhi inspired a generation of young men to boundless devotion for the cause of national independence. G. Punniiah was one of them. For many years an ardent disciple of Gandhi, a congress "volunteer," he had spent two sessions in jail. But when independence became a reality in August 1947, Punniiah still felt he wanted a cause to which he could dedicate his life. And he decided that there was no cause greater than Christ.

Christ was what India needed now, to make independence mean what it should. So he came to Guntur in October last year and was baptized by an Indian pastor he had known years before. He was much disappointed I could not be present to baptize him, for he said it was through a sermon of mine, given in his village in 1927 when I conducted Evangelistic meetings there, that his mind had been stirred. For twenty-two years the message had been hidden within. And now he turns the enthusiasm which made him a volunteer for Gandhi into being a volunteer for Christ. Dr. M. L. Dolbeer Of The United Lutheran Church.

VICTIMS OF SNAKE BITE

Twenty victims of snake bite were treated this year in Kodoli Hospital, Western India. The first victims were taken to the Hindu Temple and placed before the idol, in the belief that the idol would save the patient. When one after another began to die, the mission doctor was sent for. The doctor not only treated the sick people but gave a first aid lecture in which he stressed the importance of bringing people to the hospital as soon as they were bitten. The lecture brought good results. A boy who worked in the fields began carrying a knife tied to a long string so that if an emergency should occur he would be ready to apply first aid.

The younger generation in Kodoli has come to realise that their idols have no healing power. Once when a young Hindu died of a snake bite in the temple other young Hindus expressed their desire to pull down the temple in which people died such miserable deaths. The people have been impressed with the fact that all cases taken to the mission hospital recovered.

WHAT A MAN

The Rev. J. Lowrie Anderson described a magic lantern service that he and the agent of the British and Foreign Bible Society held in Gallabat, Ethiopia: on the side of a house. In the open square of the town, we hung a sheet. In front of it seated on the ground, was the entire male, and much of the female population of the town. Starting with the story of Bethlehem by word of mouth and picture, we told of His miracles, of His parables, and with prayer in our hearts about the greatest miracle of all the story of the cross. As in our telling we grew closer and closer to that event, a deep hush came over the audience; and when they gazed at Jesus upon the cross, a sigh of sorrow came from every one.

Later a lad of fifteen helped us carry our stuff back to the truck, and as he walked along beside me I heard him repeating over and over again as he could not say it enough or with enough meaning, "O what A Man? What A Man!"

From "Christian World Facts."

THE LORD'S SHARE

A dear lady on the mission field came to the church officials one day with 500 pesos for the building fund. She said: "The hens did it! I can't get this tithing business through my head, but there were my hens laying eggs on the Lord's Day. Somehow it didn't seem quite right to use the eggs laid on His day for ordinary purposes, and so for several months I have been setting those particular eggs apart and have sold them separately, and well—here is the money."

From the "Ansgar Lutherans."

SHARING A GIFT

Elsie Otto, a teacher of the United Lutheran Mission in Liberia, writes of the school-boys' generosity:

"In appreciation for the service the boy rendered at the time of a plane crash, Pan American Airways sent a gift of \$52.50 to be used for the students. We asked them to appoint a committee in each grade to settle on how to distribute the money. The final decision of all was: \$32.50 was sent to Lutheran World Action for European relief, \$10.00 was given to the church in Sanoyea; and \$10.00 was contributed to the nursery."

The funeral services for the Rev. Wylock J. E. Scott, an American missionary who has been serving with the Evangelical Lutheran Church in British Guiana were held on Wednesday, June 23rd. Simultaneous services were arranged at Calvary Lutheran Church, Georgetown and Ebenezer Lutheran Church, New Amsterdam with all of the pastors of the church participating. Pastor Scott died on Friday June 18th at the St. Joseph's Mercy Hospital, Georgetown after a heart attack suffered earlier in the week. He and his family were to go on leave to the United States next month.

Pastor Scott was 45 years of age. He was born in Milwaukee, Wisconsin, U.S.A., the son of James W. Scott and Ida Fischer Scott. He had a sister, Ruth, and is survived by one brother, Walter.

He attended the Elm Street Elementary School, Washington High School, the Milwaukee School of Engineering, and the Extension Division of the University of Wisconsin in Milwaukee. Later he attended Carroll College in Waukesha, Wisconsin and the University of Minnesota in Minneapolis, Minnesota. He studied at the North-western Lutheran Theological Seminary at Minneapolis and was ordained by the Evangelical Lutheran Synod of the Northwest in 1945. He was married to Viola L. Bent on June 17, 1931, and completed 23 years of married life the day before his death.

Prior to entering the seminary, Pastor Scott worked as an engineer for the Bell Telephone System of Wisconsin for sixteen years. During most of his lifetime he was very active in boy scouting, and Sunday school work. As a layman he organized Sunday schools and conducted church services at Muskego Lake, and at Calhoun in the suburban area in Milwaukee; He also served as Church Treasurer for St. Luke's Lutheran Church of Waukesha, Wisconsin, in which town he lived for a year and a half,

While at the Seminary he worked at the University Hospital, and did youth work in a Minneapolis settlement house, in addition to which he preached almost every Sunday. For about a year prior to ordination he served the Holdingford-Elmdale Parish and was called to serve there as permanent pastor for another two years. He then accepted a call to Calvary Church Two Rivers, Wisconsin, during which period he supervised the erection of a new church building. He was active in community affairs, and a member, of Rotary International.

Upon hearing of the need for a missionary qualified to serve in British Guiana as pastor, builder and treasurer he volunteered his services to the Board of Foreign Missions, and arrived in the Colony the 21st of July, 1951. He served the West Coast Berbice Parish until a few months prior to his death when he was transferred to the Canje- Lower Berbice area.

Pastor Scott will be remembered in British Guiana for his diligent and untiring work for the Lutheran Church, especially in regard to clearing land titles, the introduction of modern methods in the business office of the Church, and the reorganization of the Lutheran Press and Book Store. His last official act for the Church was his attendance at Transport Court in Georgetown on June 14th to uplift a land title. He will be remembered by many people who found him a patient listener to their troubles and a wise and energetic helper in solving them.

In addition to his brother, Walter E. Scott of Madison, Wisconsin, he is survived by his wife, two daughters, Ivy and Judith, and a son, Michael.

The body lay in state at the De Sebastiani Funeral Home, Georgetown previous to the service.

Following the service the body was taken to Atkinson Field for transfer to New York. Burial will be in the United States.
